

## Parent/carers consent for students appearing in promotional materials

I hereby consent to United Learning and United Teaching using images of my child in video recordings, and/or photographs, taken/recorded by United Learning (including my school).

I consent to them being used for marketing and publicity related purposes and to their use in other United Learning or United Teaching publications. I understand that they may be published on social media channels or on the United Learning website, United Teaching website, other websites or elsewhere.

I understand that:

- Images of my child will be held in accordance with the GDPR guidelines (the General Data Protection Regulation);
- The images of my child captured in the video recordings and/or photographs will be the copyright of United Learning;
- I can ask United Learning to stop using images of my child at any time, in which case efforts will be taken to prevent them being used in future digital and offline publications but they may continue to appear in publications already in circulation.
